

Mission Trip Report

Each year the Conference Volunteers in Mission Coordinators provide information about the mission teams for that year to the Jurisdiction Offices, who compile reports for the General Board of Global Ministries. This information then becomes a measure of the scope of mission volunteering in the United Methodist Church. If your church or district or other entity had a work trip this year, please provide the report to us at the address below the form. It is important for us to do our best to provide complete and accurate information for the use of the GBGM so please report **Youth trips as well as Adult trips**. Your assistance with this is greatly appreciated!

Please attach a list of team members along with postal mail addresses of those that would like to receive printed newsletters. Include email addresses for those that would like to receive emailed Conference and Jurisdiction UMVIM newsletters and updates.
