

# IA Camp

## Challenge 2014

Again this year, the Iowa UMC Camp and Retreat Team challenge you to send more youth for our Summer Camping Season!

Two Churches in each district will be given a free, fun-filled afternoon at one of our camps this next fall or spring.

One of the recipients will be the church that has the largest percentage growth of campers from last camp season. The second recipient will be the church who sends the biggest increase in camper numbers from the previous year.

As always we would love to talk to you about camps. Please contact one of your camp team members about this new IA UMC Camp Challenge.
